

Product specification sheet

Product title | 3SKB-R906U28 SKB 6U Industrial Shock Mount Rack

Description

3SKB 28" Shock Racks will keep your equipment safe and working while you travel in harsh conditions where your case and devices may be exposed to rough weather, mistreatment, and abuse. These cases are roto-molded to provide excellent strength, durability, and protection. The hinged doors are user friendly with a gasket seal that makes the case water resistant and keeps your gear dry! The supplied caster kit ensures that transport has never been easier?no more heavy lifting and carrying. For efficient and secure transport, these Shock Racks stack perfectly even with the casters mounted! These 28" deep rack models are suitable for large IT equipment such as servers, back up devices, and power supplies. Additional applications are in military, security, outdoor, broadcast and many more markets.

Features

- Patent pending compound hinged doors ensure easy opening & closing
- Gasket-sealed doors keep your devices dry & safe
- Smart design provides enough space for air circulation & heat dissipation
- Threaded steel rails with square screw holes offer enhanced durability.
- Rear rack rails for even more secure fixing of your equipment
- No more heavy lifting?4" castor kit standard included
- Cases are shock & water resistant for added protection
- A built-in pressure relief valve helps to maintain an ideal environment at any altitude
- Cases stack superbly with the wheels on or off for efficient & secure transport
- Stainless steel recessed latches provide extra durability
